Soft Skills :	Problem Solving, Team Collaboration, Time Management, Self-Motivated

PROFESSIONAL EXPERIENCE

ServiceNow Developer Intern

Aug 2025 – Mar 2026

Digital Edify | Hyderabad, India

- Developed and configured **20+ ServiceNow components** including Business Rules, Client Scripts, UI Policies, and Flow Designer automations across ITSM and CSM modules.
- Automated ITSM workflows reducing manual effort by **30%** and improving average ticket resolution speed by 25% across 500+ monthly tickets.
- Implemented end-to-end **Incident, Problem, Change, and Knowledge Management** processes following ITIL best practices.
- Designed Service Catalog items with multi-level approvals, **SLA tracking**, and automated notifications — cutting catalog fulfillment time significantly.
- Built reusable Script Includes and optimized **GlideRecord queries**, reducing backend script redundancy by 40%.
- Integrated **3+ external systems using REST APIs** enabling real-time data exchange and eliminating manual sync tasks.
- Configured **ACLs and role-based access controls (RBAC)** to enforce data security across all modules.
- Managed update sets, performed pre-production testing, and followed **change management best practices** for all deployments.

PROJECTS

ServiceNow ITSM & CRM Implementation

Dec 2025 – Feb 2026

- Built full **ITSM suite** covering Incident, Problem, Change, and Knowledge Management with automated routing and SLA policies.
- Developed a **Lead-to-Cash workflow** automating the complete sales lifecycle within ServiceNow's CRM (SOM) module.
- Implemented **REST API integrations** to synchronize data between ServiceNow and an external ERP system.
- Designed reusable approval workflows and notification rules reducing process completion time by **35%**.

Sports Flex – E-Commerce Web Application

Personal Project

- Built a fully responsive e-commerce web app using **HTML5, CSS3, and JavaScript** with cart, checkout workflow, and product filtering.
- Live demo: udayreddy0007.github.io/Sports-Flex

CERTIFICATIONS & TRAINING

- ServiceNow Developer Internship Program – Digital Edify (2026) [\[Verify Certificate\]](#)
- Infosys Wingspan – ServiceNow Beginner Level (Completed Feb 2026) [\[Verify Certificate\]](#)

EDUCATION

B.Tech – Computer Science & Engineering

Graduated 2025

Aurora Scientific and Technological Institute (ASTI), Hyderabad
CGPA: 7.12 / 10.0

LEADERSHIP & ACTIVITIES

- Event Coordinator – AThERIA 2025:** Managed logistics and coordination for 500+ attendee technical fest.
